THE VOICE

Every year, the MRC Chinese New Year MTV Song recording is more than just a festive tradition—it's an opportunity for our young talents to shine! Our winners from the annual MRC Talent Competition take center stage, showcasing their skills and passion, and capturing the essence of the season in music and performance.

MRC - we go far beyond providing outstanding education across Malaysia. We are committed to unlocking each child's potential, nurturing their unique abilities, and giving them platforms to thrive and shine. It's this dedication that sets MRC apart: a place where children are celebrated for who they are and encouraged to dream big.

Our Chinese New Year celebration isn't just about the holiday—it's about creating meaningful, joyful experiences that leave a lasting mark. Each recording is a memory in the making, a moment our children and their families will treasure for years to come. This is the MRC difference: inspiring confidence, fostering talent, and celebrating the joy of growth and learning together.

Celebrating the Light of Tradition and Togetherness

As Deepavali draws near, let us honour the true spirit of this festival—a celebration of resilience, hope, and the enduring triumph of light over darkness. It's a time for families to come together, for communities to rejoice, and for traditions to be cherished and passed from one generation to the next.

More than just a festival, Deepavali is a tribute to kindness, gratitude, and the beauty found in diversity. With each diya we light, we honour the warmth of our shared heritage and the values that bind us. May the glow of Deepavali fill our homes with laughter, brighten our hearts with love, and remind us of the strength we find in unity.

MRC wishes everyone a radiant Deepavali filled with joy, peace, and the lasting light of tradition.

MRC ACADEMIA GRADUATION (KL & SEL REGION): A PRELUDE TO OUR CONTINUING CELEBRATION

Our MRC Annual Academic Graduation Ceremony has arrived! It's more than just a farewell to the past—it's a celebration of each child's remarkable journey of growth and transformation. This moment marks a powerful milestone as they step forward with pride, ready to embrace the endless possibilities ahead!

This year, MRC's Nationwide Academia Graduation begins with Kuala Lumpur and Selangor regions, with the inaugural ceremonies taking place at TAR UMT Setapak on Saturday and Sunday (October 26th and 27th). As this celebration of pride and achievement travels across Malaysia, we bring parents and children together to honour their remarkable accomplishments. Reflecting on their journey, it feels as though it was just yesterday that our young children took their first steps at MRC. Today, they stand proudly in their graduation robes, ready to embrace the next chapter. From the very beginning, they embarked on a path filled with challenges and growth, and today, they graduate stronger, braver, and ready to soar. But make no mistake—this is not the end; it is the start of an entirely new journey! The future is vast and boundless, and each graduate is poised to create their unique and shining story.

For each parent, this is a moment when all your love, support, and dedication come full circle—a priceless reward as you witness your children transform from curious young children into confident, capable individuals. Their achievements are not only theirs; they are a tribute to your unwavering support, a testament to your love, and a source of immeasurable pride!

With utmost pride, SMM Education Group extends heartfelt congratulations to the extraordinary MRC Graduates 2024! Years of perseverance have laid a strong foundation, and now, it's time for these graduates to spread their wings and soar to new heights. To all the incredible parents, your steadfast guidance has shaped today's shining stars. Their future has never looked brighter, and their journey has only just begun! Their light will shine brilliantly across the world, igniting endless possibilities!
